The Experience

Preparing for a trip to the exciting city of Atlanta comes with its fair share of planning. When you're considering accommodations, look no further than a stay at this gorgeous open floor plan with large steel-framed windows make the incredible view a priority and allow natural light as well as the welcoming sounds of the city to sweep over you day and night.

Walking in, guests will enjoy a living space that speaks to a modern

approach to art and décor. A plush gray sofa sits in front of a large flat-screen TV accompanied by an armchair.

The fully equipped kitchen includes stainless steel appliances, beautiful white countertops and a mobile granite-topped island for added cooking and serving space as needed. The white brick backsplash complements the black and white artwork found throughout this property.
