

Chic Studio with Beautiful Designer Interiors

Atlanta, Georgia, USA

Haven N° 548087

The Experience

This studio apartment provides all the comforts of home, thoughtful design and facilities that overshadow any of the luxury hotels in Atlanta. Rich black walls, Italian leather furnishings and silver, white and dark blue accents generate a relaxing atmosphere where you can call home away from home.

Each this haven unit has elevated thread count linens, a fully fitted kitchen, washer and dryer, and safe parking access. For Sears Roebuck &

Co., the 80-year-old building was a southeastern hub; each flat involves initial characteristics such as brick walls and concrete blocks offering textural personality. Architectural details like newly sealed concrete floors, steel frame windows and closed glass showers juxtapose with historical attraction the best of contemporary living.

You will be linked to the city's finest neighborhoods, offices, retail, and cultural landscapes by living in this society. Featuring globe-wide cuisine, craft cocktail bars, cafes, shopping, a 24-hour gym and direct access to the Atlanta Beltline, you'll discover dozens of restaurants literally steps from your door. If that wasn't enough, take a fast elevator ride to Skyline Park's rooftop for fun entertainment park: mini golf, midway games, rides, a beer garden and the best views Atlanta has to offer!
