

Airy Retreat Near Central Park

New York, New York, USA

Haven N° 383116

The Experience

As soon as you step inside the exquisite wooden doors at Chambers, you're engulfed in a world of splendor complete with a fashionable interior and posh rooms, all designed by David Rockwell. Expansive windows give life to the distinctive art collection hung throughout the lobby, while comfortable furnishing provides the perfect spot to sit back and relax after wandering down 5th Avenue. Just a few minutes from Central Park, take a stroll through Shakespeare Garden or explore Belvedere Castle to relish in the beautiful park views set atop Vista Rock.

Return back to Chambers, where lively hallways filled with delicate vines and vibrant colors usher you to your private suite, a calming oasis from the bustling life outside. Enjoy sweeping city views from your private balcony as the skyscrapers of Manhattan light up and shimmer against the night sky.

Art, entertainment, gastronomy, shopping — we could go on, but you get the picture. Midtown East has it all. Iconic skyscrapers stud the skyline around here, from the Chrysler Building to the Empire State Building to Rockefeller Center. Home to some of the best of American and international modern art, MoMA is a staple in every Midtown itinerary. But if live entertainment is more your style, the electric Radio City Music Hall is a venue like no other. For shopping and dining, Fifth and Sixth Avenue are the arteries of this pumping city. And if that wasn't enough, Central Park is just a stroll away. Welcome to the New York that New York is known for.

Please note:

- There are stairs within this space.

Construction noise is present due to new development on the building next door.
