The Experience

As soon as guests step through the front door, they're met with an eye-catching view of the living space that incorporates a plush velvet sofa with beveled backing accompanied by two stylish black leather armchairs and a glittering glass coffee table to pull the space together. The living room in this property is the place to be when you're in the mood to

stream your favorite movie or show. Take advantage of the large flat-screen TV mounted on the wall as you snuggle into these beautiful pieces of furniture made to make your stay unforgettable.

Just behind the sofa, guests looking for a great night's rest can do so in the large elegant bed complete with a plush mattress and beautiful coverings. Feel free to tuck in and continue watching your show across the living room or enjoy the sight of glittering skyline below out the adjacent windows. As an added benefit, these sliding glass walls can be opened at any time to enjoy a fresh breeze and the sounds of the city that flow through it all.
