The Experience

This haven is a haven of style and tranquillity, set perched overlooking the sparkling waters of the Gulf of Thailand, surrounded by tropical jungle with views of the bay.

Location:

Despite its resort overhaul, the former modest fishing village

of Koh Samui retains a laid back air of 'beachy' Thai ease, offering azure sparkling waters and pristine sugar-white beaches. Thailand's third biggest island is set on the Gulf of Thailand, about 35 km north of Surat Thani Town.

With an abundance of natural beauty, when guests are tired of pampering within the resort, the outdoors beckons alluringly. Whether it be renting a scooter to explore the beaches that this region is famous for, or exploring the unspoilt islands of Ang Thong National Park or the Fishermen's Village night market in Bo Phut, this island will offer an intriguing blend of tourist hotspots and local life.

For adventurers, a scooter or motorbike may be preferable to a car - traffic can be heavy. Stopping by for some coconut water and exploring the waterfalls of Tan Rua Waterfall or Hin Lat Waterfall and finishing up with a visit to an elegant park will be a fabulous day out.

A visit to the 12 meter seated Buddha statue at the Wat Phra Yai Ko Fan Temple will offer an intriguing insight into the local religious culture; a beautiful setting with wonderful views, whilst the immense statue perches at the top of the temple. An early morning visit would entail the offering ritual and morning chanting.

Chaweng offers buzzing nightlife - Koh Samui's busiest and biggest town has sprung up around one of the island's best

beaches. From cocktail bars to world-class restaurants, the famous Green Mango strip is 3 kilometres long, offering eclectic, colourful local life in abundance.
